I have found Rick Merante to be an excellent resource in the process of identifying projects, introduction to clients and in his diversity of both clients and geography.

His first hand knowledge of the construction industry as a general engineering contractor is invaluable. He is a "hands on " guy and has the work ethic that is fast disappearing today.

I highly recommend him to both contractors and clients.

A handwritten signature in black ink, appearing to read 'Gene Waken'. The signature is fluid and cursive, with a large initial 'G' and 'W'.
