1341 West Mockingbird Lane • Dallas, TX 75247 • 972.647.6700 • www.txi.com

Dear Vendor:

TXI is striving to utilize information technology to allow us to do business with our partners in a more effective and efficient manner. As a result, we are able to offer you the ability to receive payment from us through the Automated Clearing House ("ACH").

Benefits

Utilizing ACH benefits you in several ways. First, it provides you with greater certainty regarding cash flow by taking the postal service out of the equation. Second, all of the relevant information (invoice number, payment amount etc) is sent to you by telefax or email. Finally, it helps you streamline your accounts receivable process.

Implementation

In order to take advantage of this opportunity, please complete, sign and return the enclosed authorization agreement for TXI to make deposits into your bank account. As a valued business partner, there is no charge to you for receiving ACH payments.

Conclusion

ACH payment is an opportunity that benefits both you and TXI. While we have not made this a requirement of our vendors, as other companies have, I strongly encourage you to take advantage of this option. Please call Eileen Janes at (972) 647-3722 if you have any questions regarding this matter.

Sincerely,

Les Vines
