To Whom It My Concern,

RE: Rick Merante

I met Rick Merante more than eight (8) years while working for the City of Pasadena Water & Power in the position of Power Production Superintendent. Rick successfully bid several jobs for the City of Pasadena and demonstrated a very professional demeanor. He is very knowledgeable in all aspects of Power Plant Construction, Power Plant Maintenance and Project Management.

Rick always showed dedication and ensured completion of the jobs on time, on schedule and on budget with limited change orders. During these jobs he also made several suggestions that benefited the City of Pasadena resulting in substantial cost savings for the City.

Rick is very personable and was a pleasure working with. He was highly respected by our crew members and other vendors working onsite.

If you need further information or would like to speak with me directly I can be reached at 310-686-4645.

Best regards,

A handwritten signature in black ink that reads "Alvin S. Boyd". The signature is written in a cursive style with a large, prominent "A" and "B".

Alvin S. Boyd
Manager of Power Plant Operation and Maintenance
Malaga Peaking Plant
Kings River Conservation District
