May 19, 2017

OST has done business with Rick Merante for over 6 years. Throughout this time we have found Rick to be a very honest and knowledgeable individual who always conducts himself with the utmost professionalism. Rick recently joined our company as a Salesmen Representative and has shown a constant ability to develop leads that would normally be very difficult for us to obtain. Our experience with Rick has been very successful and would highly recommend Rick to anyone.

A handwritten signature in black ink, appearing to read "Chris Lang", with a stylized flourish at the end.

Chris Lang

General Manger
