

April 1, 2020

To whom it may concern,

Thank you for all your efforts to connect SANIL Electric with potential customers. It is great pleasure to work with you and your extensive networks presented new opportunities from which some achievements are expected to be made soon.

I appreciate all your hard works to make this happened. And I also look forward to maintaining long-term relationship with you as trusted partners for the growth of both companies, A.R. Merante Corporation and SANIL Electric.
