Mr. Rick Merante  
A.R. Merante Company Inc.  
Valencia, Ca 91355

Dear Mr. Merante:

Rarely have I found it necessary to take the time to sit down and write a letter of appreciation to a sub-contractor. However, recently A.R. Merante Co. Inc. completed a piping project for me at a major client facility. The results were most rewarding. Not only was the cost very competitive, but the quality of work was exceptional and the human relations factor with our people and the clients' staff were excellent.

Thank you for the fine work and I look forward to our next project.

Sincerely,

BAKER ENGINEERING CORPORATION
