Rick,

I just wanted to take a moment and write you a letter outlining my thanks for your efforts this past year. You have been a great asset to Newtron in establishing our presence in the Southern California Industrial Market.

Through your efforts, Newtron has been brought to the table for numerous business opportunities that would not have been possible without your help. I thank you for your hard work and look forward to further building our relationship into the future. I appreciate your dedication.

Respectively,

Nick Parsons
Vice President/General Manager
