RE: A. R. Merante Co. Inc.  
P.O. Box 55552  
Valencia, Ca. 91355

Gentlemen:

I am glad to recommend A.R. Merante Co. for mechanical work involving welded iron pipe and silver soldered or brazed copper water and refrigerant pipe. They also are qualified to demolish, rig, and install chillers, boilers and cooling towers.

A. R. Merante Co. has always performed in a timely and professional manner on my projects.
